Dear John,

I wanted to write and thank you for
the check to help pay off Dodi's Medical
expenses. I can't begin to say how much
this means to me.

I am really looking forward to
joining the institute and have already
made some initial contacts concerning
organizations which spirit has brought
forward for my review. It is amazing when
you allow spirit to do a lot of the work and
you just follow through. If you would
like, I will send you copies of material
on some of the projects once I have
the material in hand.

I will call in a few days to find out
more about the trip in Jan.

God bless you. In the Name
Left + Sevin

Jim
